

Offering of Compassion Global Food Crisis Donation Form

The current global food crisis is being called a “silent tsunami” that could plunge an additional 100 million people on every continent into hunger. Food prices have risen as much as 100 percent in some countries since 2006. Many of the countries Compassion serves are among those that have been hit hard by rising food prices. Your gift will provide the resources to feed our global church family.

Step 1: Church Contact Information

Church Name

Pastor's Name

Church Address

City State ZIP

Telephone — —

Email
