The word treasure means “any person or thing considered very valuable.” Some treasures — like toys and jewelry — are earthly. These kinds of treasures are what we can see and touch. Others — like family and memories — are treasures of the heart. In the blanks next to the coins below, list some of the treasures in your life. Then draw a line from each treasure to the chest where it would be kept.

“Do not store up for yourselves treasures on earth, where moths and vermin destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moths and vermin do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also.”

— Matthew 6:19-21
