

# DISASTER RELIEF

Your Church Donation to the disaster relief fund is a tangible demonstration of the meaning of compassion. In times of disaster, children living in poverty are the most vulnerable and they need immediate help. Your donation will help a child recover physically, emotionally, and spiritually.

- Putting your faith into action
- Living beyond your own needs
- Following Christ’s example of compassion
- Helping release children from poverty in Jesus’ name

**NOTE:** We can only process checks with this form; do not provide a credit card number. If you wish to donate with a credit card, please visit [compassion.com/orange](https://compassion.com/orange) for online giving. All gifts are tax deductible. Thank you.

Gifts shown here illustrate goods and services used in Compassion’s holistic child development program. All contributions designated for specific funds will be applied to those projects and to administering the gifts. We desire to be good stewards of your gift, and when we receive more contributions for a given fund than we can use, we apply those funds to meet similar pressing needs. Contributions are solicited with the understanding that Compassion International has control over the use of all donated funds. At least 80 percent of your gift will go to programs that directly benefit Compassion children, babies and students.
