MAY 2019

God is our refuge and strength,
an ever-present help in trouble.

— Psalm 46:1, NIV

Pray for the safety and provision for our children and their families in the border areas of Colombia as they deal with the effects of ongoing unrest in Venezuela.	Pray for Faith in Kenya, who suffers from diabetes. Pray for God's healing and her full recovery.	Please continue to pray for five families in the community of Purok Bakhaw Barangay, Kawit, in Paladian City, Philippines, as they recover from damage to their homes caused by a fire.	Pray for a child's grandfather in the Dominican Republic, who was hit by a car and is in the hospital's intensive care unit. Pray for his healing and the child's comfort.	Pray for a 17-year-old youth in Rwanda, who was admitted to the hospital with cerebral malaria. Pray for her total healing.	Pray for Sumi in Bangladesh, who is living with her ailing single father and sister-in-law. Pray for God's mercy over the family, that they may overcome the challenges of poverty.	Pray for 1-year-old Madelyn in El Salvador, who has pneumonia and needs healing.
12	13	14	15	16	17	18
Pray for a young man in Ethiopia, who has a chronic nerve problem. He is scheduled for surgery soon and needs our prayers.	Pray for God to comfort the friends and families of several children in North Sulawesi, Indonesia, who recently passed away.	Pray for God to heal Hector in Guatemala, who is suffering from leukemia. Pray also for grace and strength throughout treatment.	Pray for God's wisdom as Compassion helps parents living in extreme poverty better care for their children by providing health assistance and parenting classes.	Pray for Winnie in Kenya and all other fourth-year university students. Pray for good performance on their national examinations later this year.	Pray for Glory in the Philippines, who was diagnosed with acute leukemia and is confined to the hospital. Pray for her strength and healing.	Pray for 126 children and their families in Jangurussu, Fortaleza, Brazil, as they recover from the damages and losses caused by recent flooding.
