We're thankful to God that a center in Tanzania was able to repair their flooded facilities, level the playground, repair broken floors and divert water channels away from church grounds!	Pray for the children around the world who lack clean, healthy drinking water and for Compassion's efforts to bring safe water to these children in need.	We're thankful to God that all but a few of the families in Colombia affected by Hurricane Eta have returned to their repaired homes!	Pray for the church partners, children and families in the Philippines as they recover from losses and damages caused by Tropical Depression Vicky.	Pray for continued peace, comfort and strength for James in Ethiopia as he receives treatment for his cardiac cancer.	Please continue to pray for the families of 1,782 children in Nicaragua, Honduras, Guatemala, El Salvador and Mexico impacted by Hurricane Iota. Pray for grace and provision.	Please pray for the protection and provision of children, families, staff and church partners throughout Sri Lanka as they recover from damages caused by recent cyclones.
